

DISCOVER YOUR **PASSION** AT WALDORF

TRADITION // PASSION // COMMUNITY // SUCCESS

Come see what **Waldorf University** is all about with an Open House specifically for homeschool students and their families!

Located in Forest City, Iowa, at Waldorf, you'll find your home away from home. We offer students:

- // A **small, supportive** campus environment. With an average class size of 15, and a faculty-to-student ratio of 11:1, you will excel academically and will get valuable, hands-on experience in your major.
- // Our professors will not only teach you, but they will also serve as **academic advisors**. You will work closely with a professor in your major to make sure you are planning your courses and are on the right track to graduate.
- // Our **campus ministry** program is very active and engages students with their spiritual development on campus. We are not affiliated with just one denomination, nor with just one way to worship. "Like Fire" meets weekly with high energy Christian music and deep discussion. We also have Mass and Rosary services, as well as The Bridge which is connected to our local Baptist church. We understand that faith is a journey and it's one you can continue at Waldorf.
- // Not only will you learn at Waldorf, you'll also have fun and be involved! With over **35 student led clubs and organizations** on campus, you'll have the opportunity to pursue what you love most. Ninety-eight percent of our students are involved in at least one co-curricular activity on campus!

These are just a few of the highlights at Waldorf University! You'll learn more about Waldorf at our Open House on **April 5, 2019**.
