

## Are you looking for a unique way to encourage your children?

Leave them love notes: messages expressing specific things you admire about their character, jottings on how they brighten your day, or reminders affirming that you will always love them!

For quick and easy love notes for your kids check out the Member Portal of our website where you'll find a printable PDF of love notes to get you started!

Love  
Notes  
for our  
Kids

Dear \_\_\_\_\_

It makes me smile when you...
